  - (1) the Subordinated Debt must not (without the prior written consent of the Senior Agent) be paid or repaid; and
  - (2) unless the consent referred to in clause 3.1(b)(1) (*Subordination*) has been obtained, a Subordinated Creditor may not receive, and the Obligor must not pay or repay (and each Obligor must ensure that no other Group Member pays or repays), any of the Subordinated Debt to, or at the direction of, a Subordinated Creditor or any person acting or purporting to act on behalf of a Subordinated Creditor; and
  - (3) neither the Subordinated Borrower nor any other Obligor which is a party to this deed may permit or require any Obligor to pay, prepay, redeem, repurchase, defease or otherwise acquire or satisfy in any manner, any Subordinated Debt, to or at the direction of, a Subordinated Creditor or any person acting or purporting to act, on behalf of a Subordinated Creditor (and each Obligor must ensure that no other Group Member does so).
- (c) The subordination effected by this clause applies at all times during the First Subordination Period, including if and while any Obligor is in Liquidation.
- (d) If, on Liquidation of an Obligor, there is a distribution of any of the Obligor's assets, including payment in cash, property or securities, to creditors of the Obligor on Liquidation, all of the Senior Debt must be paid in full in cash before a payment is made for or on account of the Subordinated Debt.
- (e) The obligation to make any payment under or in respect of the Subordinated Finance Documents which is not permitted under clause 3.2 (*Permitted payments*) will continue for all purposes including the definitions of "Secured Money" (in the Subordinated Facility Agreement) and the accrual of interest. Subject to clause 5.5 (*Deemed release of obligation*), this deed does not release a Subordinated Borrower or any Obligor from its liability in respect of the Subordinated Debt.

### 3.2 Permitted payments

- (a) Despite clause 3.1 (*Subordination*), if, and only if, the conditions set out in clause 3.2(b) (*Permitted payments*) are fully satisfied, a Subordinated Creditor may receive and retain all payments from any Obligor and from any other Group Member) in respect of any interest (including, for the avoidance of doubt, capitalised interest, deferred interest and default interest) and fees, expenses and other amounts (including legal fees and Taxes) but excluding any payments of principal, due and payable under the Subordinated Finance Documents of that Subordinated Creditor.

- (b) The conditions referred to in clause 3.2(a) (*Permitted payments*) are that immediately before and at the time of payment of any amount referred to in clause 3.2(a) (*Permitted payments*):

  - (2) the Senior Interest Cover Ratio evidenced in the Compliance Certificate most recently provided before that time was greater than 115% of the relevant financial covenant level set out in clause 17.1 (*Senior Interest Cover Ratio*) of the Senior Facility Agreement; and
  - (3) no Payment Blockage subsists.
- (c) To the extent the conditions in clause 3.2(b) (*Permitted payments*) are satisfied and would continue to be satisfied after any such payment to the Subordinated Creditors is made, the Obligors must pay to the Subordinated Creditors any amount of interest that at any previous time became due and payable under the Subordinated Finance Documents but was not paid as a consequence of the conditions under clause 3.2(b) (*Permitted payments*) not being satisfied. If at the time an amount due under clause 12.2 (*Mandatory Prepayments – Excess Cashflow*) of the Senior Facility Agreement, the payment of interest permitted by this clause 3.2(c) will be made before any payment under that clause 12.2 (*Mandatory Prepayments – Excess Cashflow*) is made.
- (d) The obligation to make any payment under or in respect of the Subordinated Finance Documents which is not permitted to be paid under clause 3.1 (*Permitted payments*) will continue for the purpose only of accruing interest, including default interest, on those amounts in accordance with the Subordinated Finance Documents.
- (e) Nothing in this deed will, in any way, restrict the payment by any Obligor of any amount due and payable under any Subordinated Finance Document on Financial Close or the payment of the agency fee to the Subordinated Agent pursuant to the terms of the Subordinated Finance Documents as at the date of this deed.

### 3.3 Payment Blockage

- (a) A **Payment Blockage** subsists, and no payment is permitted under clause 3.2(a) (*Permitted payments*) to a Subordinated Creditor if, during the First Subordination Period, a Senior Event of Default or Senior Potential Event of Default (other than a Senior Event of Default or Senior Potential Event of Default which arises by operation of clauses 3.2(b)(1) or 3.2(b)(2) (*Permitted payments*)) subsists (**Original Payment Blockage**).
- (b) A Payment Blockage shall cease to subsist on the earliest of:
- (1) expiry of 179 days after the Senior Event of Default or Senior Potential Event of Default occurs;
  - (2) if the Senior Event of Default or Senior Potential Event of Default on which it was based ceases to subsist (except where a Senior Potential Event of Default ceases to subsist because it has become a Senior Event of Default); and
  - (3) each relevant Representative of the relevant Senior Creditors notifying the relevant Representative of the Subordinated Creditors that the Payment Blockage has ceased to apply.

- (c) A Representative of the relevant Senior Creditors must promptly notify the Representative of the relevant Subordinated Creditors upon it becoming actually aware that a Senior Event of Default or Senior Potential Event of Default, in respect of which a notice has been delivered under clause 3.3(b)(1) (*Payment Blockage*), has ceased to subsist (and that the Payment Blockage has therefore ended).
- (d) To the extent a Senior Potential Event of Default becomes a Senior Event of Default due to the expiry of a grace period or the giving of a notice the period elapsed for that Senior Event of Default for the purpose of clause 3.3(b)(1) (*Payment Blockage*) will be deemed to have commenced on the date the Senior Potential Event of Default occurred. A Representative of the relevant Senior Creditors must promptly notify the Representative of the relevant Subordinated Creditors upon it becoming actually aware that:
  - (1) a Senior Event of Default or a Senior Potential Event of Default has occurred and the date it occurred; and
  - (2) a Senior Event of Default or a Senior Potential Event of Default has ceased to subsist (and that the Payment Blockage has therefore ended).
- (e) A Representative of the relevant Senior Creditors may, only after 358 days from the occurrence of an Original Payment Blockage, initiate another Payment Blockage in relation to the Senior Event of Default or Senior Potential Event of Default which gave rise to that Original Payment Blockage. To avoid doubt, a further Payment Blockage may occur at any time in respect of the same type of Event of Default or Potential Event of Default if it arises due to any event or set of circumstances which were not existing at the time the initial Payment Blockage arose from that same type of Event of Default or Potential Event of Default.

### 3.4 Trust by Subordinated Creditors

- (a) Any amount paid to or received or recovered by a Subordinated Creditor in respect of its Subordinated Debt contrary to clause 3.1 (*Subordination*) or any other provisions of this deed whether in the Liquidation of an Obligor or for any other reason (including by payment, set-off, combination of accounts, counterclaim or abatement) will be held by the Subordinated Creditor in trust for the benefit of the Senior Creditors and the Subordinated Creditors and must be paid immediately and directly to the Security Trustee for application in accordance with the Security Trust Deed.

otherwise have been payable under any Liquidation had the set-off not applied and had the dividend, payment or other distribution actually been received.

- (d) The perpetuity period applicable to the trust contained in this clause 3.4 (*Trust by Subordinated Creditors*) is a period from the date of this deed until the earlier of:

#### 4.5 No prejudice

The Powers of a Beneficiary to enforce subordination under this clause 4 (*Subordination – Shareholder Debt*) are not affected or prejudiced by any act or omission on the part of the Initial Obligor or Holdco.

## 4.6 Termination of subordination

- (12) challenge (and will not fund or facilitate any challenge by any third party to) the validity or enforceability of any claim by a Senior Creditor against, or any Security Interest or Guarantee held by a Senior Creditor, from any Obligor;
- (13) permit any Subordinated Debt to be evidenced by a negotiable instrument unless the instrument is expressed on its face to be subject to the subordination established by this deed or is deposited (prior to any negotiation of that instrument) with the Senior Agent for safe keeping; or
- (14) subordinate or otherwise postpone its rights or claims in respect of the Subordinated Debt in favour of any person other than pursuant to this deed, without the prior written consent of the Senior Creditors, and a Subordinated Creditor must not do, or seek, attempt or purport to do, or permit to be done, anything that is prohibited by this clause 5.6 (*Further restrictions*).

## 5.7 Enforcement by Senior Creditors

- (a) The subordination effected by this deed is in addition to and will not prejudice or affect any Security Interest or any right or remedy of any Senior Creditor in respect of the Senior Debt and each party agrees that, except as otherwise expressly provided in this deed:
  - (1) the obligations and liabilities of the Obligors, or any other party or parties for or in respect of the Senior Debt may, from time to time, in whole or in part, be renewed, extended, amended, supplemented, novated, accelerated, compromised, terminated, sold, transferred, exchanged, waived or released by the Senior Creditors in accordance with the Senior Finance Documents as they see fit in their own interests and without reference to the Subordinated Creditors or to any Obligor or Group Member or Holdco;
  - (2) to the maximum extent permitted by law the Senior Creditors may exercise or refrain from exercising any right, remedy or Power granted by the Securities in accordance with the Senior Finance Documents without regard to the interests of the Subordinated Creditors or any Obligor, Group Member or Holdco and as if the Subordinated Debt and Shareholder Debt did not exist (including the right to perfect any Security Interest created in connection with the Senior Debt);
  - (3) any and all Security Interests at any time, present or future, held, given or intended to be given for the Senior Debt and any rights or remedies of the Senior Creditors in respect of the Senior Debt may, from time to time, in whole or in part, be exchanged, sold, transferred, released, modified, waived or extended by the Senior Creditors or any Obligor, Group Member or Holdco in accordance with the Senior Finance Documents without regard to the interests of the Subordinated Creditors and as if the Subordinated Debt and Shareholder Debt did not exist;
  - (4) if the Senior Debt is wholly or partially paid out of any proceeds received in respect of the Subordinated Debt and/or Shareholder Debt, there will be no subrogation to the rights of the Senior Creditors, until the Senior Debt has been Finally Paid;
  - (5) the Senior Creditors and any Controller appointed by them may exercise their rights under the Senior Finance Documents in the manner and at the time they consider fit in accordance with the Senior Finance Documents and free of any constraint in the Subordinated Finance Documents (other than this deed) or with respect to any Shareholder Debt and, subject as required by applicable

law, solely having regard to their own interests and, following any enforcement action against any Obligor or enforcement of the Securities, may cease that enforcement;

- (6) any balance or balances of funds with the Senior Creditors at any time standing to the credit of any Obligor may, from time to time, in whole or in part, be surrendered or released to another Senior Creditor in accordance with the Senior Finance Documents; and
- (7) the undertakings of the parties to the Finance Documents will not restrict the sale, exchange, transfer or taking of any other action by the Security Trustee or any Controller or Attorney on the enforcement of the Securities pursuant to the Security Trust Deed,

and that all of the above shall be without impairing, abridging, diminishing, releasing or affecting the subordination of the Subordinated Debt and the Shareholder Debt to the Senior Debt provided for in this deed and without any of the Senior Creditors incurring any liability to any of the Subordinated Creditors or any Obligor.

- (b) Until the end of the First Subordination Period, except as otherwise expressly provided in this deed:
  - (1) each of the Senior Creditors and any Receiver or Attorney may exercise all Powers under or in respect of the Senior Finance Documents as though the Subordinated Creditors and Holdco had no rights or interest in relation to any Obligor, the Secured Property, any Security or the property or assets subject to the trusts under this deed or the Security Trust Deed;
  - (2) in enforcing any Senior Finance Document, the Senior Creditors and any Receiver or Attorney are entitled to act entirely in their own interests and are not required to, consult with or take into account in any way the interests of any Subordinated Creditor or any Obligor, Group Member or Holdco;
  - (3) the Senior Creditors and any Receiver or Attorney may take any action under or in relation to a Senior Finance Document they see fit in their absolute discretion in accordance with the Senior Finance Documents, even if taking such action would or might constitute a breach of the Subordinated Finance Documents, and they will not be liable for inducing a breach of contract for taking such action;
  - (4) none of the Subordinated Creditors have any rights in respect of any Security or the proceeds of any Security except as set out in this deed and the Security Trust Deed;
  - (5) none of the Senior Creditors nor any Receiver or Attorney owe any Subordinated Creditor any duties, obligations or standard of care except as expressly set out in the Security Trust Deed and this deed. In particular, any obligation or requirement in any Senior Finance Document in relation to reasonableness, good faith or timeliness is not owed to any Subordinated Creditor.

## 5.8 Enforcement by Subordinated Creditors

- (a) The subordination effected by clause 4 (*Subordination – Shareholder Debt*) of this deed is in addition to and will not prejudice or affect any Security Interest or any right or remedy of any Subordinated Creditor in respect of the Subordinated Debt and each Obligor agrees that, except as otherwise expressly provided in this deed:

- (1) the obligations and liabilities of the Obligors, or any other party or parties for or in respect of the Subordinated Debt may, from time to time, in whole or in part, be renewed, extended, amended, supplemented, novated, accelerated, compromised, terminated, sold, transferred, exchanged, waived or released by the Subordinated Creditors in accordance with the Subordinated Finance Documents as they see fit in their own interests and without reference to any Obligor or Group Member or Holdco;
- (2) to the maximum extent permitted by law the Subordinated Creditors may (subject to this deed) exercise or refrain from exercising any right, remedy or Power granted by the Securities in accordance with the Subordinated Finance Documents without regard to the interests of any Obligor and as if the Shareholder Debt did not exist (including the right to perfect any Security Interest created in connection with the Subordinated Debt);
- (3) any and all Security Interests at any time, present or future, held, given or intended to be given for the Subordinated Debt and any rights or remedies of the Subordinated Creditors in respect of the Subordinated Debt may, from time to time, in whole or in part, be exchanged, sold, transferred, released, modified, waived or extended by the Subordinated Creditors in accordance with the Subordinated Finance Documents without regard to the interests of any Obligor or Group Member or Holdco and as if the Shareholder Debt did not exist;
- (4) if the Subordinated Debt is wholly or partially paid out of any proceeds received in respect of the Shareholder Debt, there will be no subrogation to the rights of the Subordinated Creditors, until the Subordinated Debt has been Finally Paid;
- (5) the Subordinated Creditors and any Controller appointed by them may exercise their rights under the Subordinated Finance Documents in the manner and at the time they consider fit in accordance with the Subordinated Finance Documents and free of any constraint in respect of the Shareholder Debt (other than this deed) and, subject as required by applicable law, solely having regard to their own interests and, following any enforcement action against any Obligor or enforcement of the Securities, may cease that enforcement;
- (6) any balance or balances of funds with the Subordinated Creditors at any time standing to the credit of any Obligor may, from time to time, in whole or in part, be surrendered or released to another Subordinated Creditor in accordance with the Subordinated Finance Documents; and
- (7) the undertakings of the parties to the Finance Documents will not restrict the sale, exchange, transfer or taking of any other action by the Security Trustee or any Controller or Attorney on the enforcement of the Securities pursuant to the Security Trust Deed,

and that all of the above shall be without impairing, abridging, diminishing, releasing or affecting the subordination of the Shareholder Debt to the Subordinated Debt provided for in this deed and without any of the Subordinated Creditors incurring any liability to any Obligor or Group Member or Holdco.

- (b) Until the end of the Second Subordination Period, except as otherwise expressly provided in this deed:

- (1) each of the Subordinated Creditors and any Receiver or Attorney may exercise all Powers under or in respect of the Subordinated Finance Documents as though Holdco had no rights or interest in relation to any Obligor, the Secured Property, any Security or the property or assets subject to the trusts under this deed or the Security Trust Deed;

- (2) in enforcing any Senior Finance Document, the Subordinated Creditors and any Receiver or Attorney are entitled to act entirely in their own interests and are not required to, consult with or take into account in any way the interests of Holdco;
- (3) the Subordinated Creditors and any Receiver or Attorney may take any action under or in relation to a Subordinated Finance Document they see fit in their absolute discretion in accordance with the Subordinated Finance Documents, even if taking such action would or might constitute a breach in relation to the Shareholder Debt and they will not be liable for inducing a breach of contract for taking such action;
- (4) Holdco has no rights in respect of any Security or the proceeds of any Security except as set out in this deed and the Security Trust Deed;

none of the Subordinated Creditors nor any Receiver or Attorney owe Holdco any duties, obligations or standard of care except as expressly set out in the Security Trust Deed and this deed. In particular, any obligation or requirement in any Subordinated Finance Document in relation to reasonableness, good faith or timeliness is not owed to Holdco.

## 5.9 Permitted actions

Without limiting any other right of a Subordinated Creditor under this deed, a Subordinated Creditor may seek an injunction, declaratory relief or other equitable remedy (other than claiming equitable damages) at any time either during or after the Enforcement Restriction Period:

- (a) to enforce the undertakings in clause 5.10 (*Amendments and releases of Senior Finance Documents*);
- (b) to enforce the undertakings in clause 9 (*Refinancing and additional debt*);
- (c) to enforce any covenant to pay all or any part of its Subordinated Debt if:
  - (1) an Obligor breaches any of its obligations to make any payment under the Subordinated Finance Documents of that Subordinated Creditor where such payment is a Permitted Payment;
  - (2) the Subordinated Creditor or Subordinated Agent gives notice to the Borrowers and the Senior Creditors requiring that payment breach to be remedied within 10 Business Days of the date of issue of that notice; and
  - (3) the payment breach is not remedied within 10 Business Days of the date of issue by the Subordinated Creditor or Subordinated Agent of that notice.

## 5.10 Amendments and releases of Senior Finance Documents

- (a) Subject to clause 5.10(b) (*Amendments and releases of Senior Finance Documents*), the Senior Creditors and the Obligors must not (whether directly or indirectly), without the prior written consent of the Subordinated Agent:
  - (1) make any amendment to the maturity date, repayment profile, currency of payment, interest rate (including methods for its calculation and requirements for payment), margin applicable to any amount under a Senior Finance Document;
  - (2) make any amendment to any provision in a Senior Finance Document:

- (A) relating to lock up or otherwise imposing restrictions on payments of the Subordinated Debt; or
  - (B) imposing restrictions on payments of Distributions; or
  - (C) relating to the definition of 'Senior Interest Cover Ratio' or of any element in the make-up of that definition.
- (3) for the avoidance of doubt, make any amendment to the definition of any term defined in any Senior Finance Document which is used in any of the provisions referred to in clause 5.10(a)(1) or (2) (*Amendments and releases of Senior Finance Documents*); or
- (4) release any Security, or any asset from any Security, other than:
  - (A) an asset the disposal of which has received the consent of the Subordinated Agent where required under clause 5.4(a)(2) (*Waivers*); or
  - (B) on enforcement of the Securities in accordance with this deed.
- (b) The restrictions in clause 5.10(a) (*Amendments and releases of Senior Finance Documents*) do not apply to:
  - (1) any technical, procedural or mechanical variations as part of the usual administration of the Senior Finance Documents which are not material; or
  - (2) other variations which are not materially adverse to the Subordinated Creditors; or
  - (3) any release of a Security, or asset from a Security, required or permitted by the terms of the Senior Finance Documents.
- (c) Until the end of the Second Subordination Period, Holdco will not make any amendment or variation to any document evidencing the terms of the Shareholder Debt without the consent of the Senior Agent and the Subordinated Agent.

## 5.11 Obligations of Senior Creditors

In exercising their rights in respect of enforcement of the Securities or in exercising any power to direct the Security Trustee under any Senior Finance Document, each Senior Creditor will act in good faith towards the Subordinated Creditors where that is not inconsistent with the best interests of the Senior Creditors and will not cause the Senior Creditor to suffer or incur any greater loss cost or expense than it otherwise would if it did not act in that manner.

Nothing in this clause obliges a Senior Creditor to consult with or seek the consent of a Subordinated Creditor before exercising any right or power.

## 5.12 Copies of Documents

- (a) The Obligors must ensure that each Representative of the Subordinated Creditors receives a copy of each Senior Finance Document within a reasonable time after each is entered into. Each Senior Creditor consents to the provision of such copies.

- (b) The Obligors must ensure that each Representative of the Senior Creditors receives a copy of each Subordinated Finance Document within a reasonable time after each is entered into. Each Subordinated Creditor consents to the provision of such copies.

## 6 Acceleration Rights – Holdco

---

Prior to the termination of the First Subordination Period and the Second Subordination Period, Holdco may not declare that the Shareholder Debt owed to it, or any part of the Shareholder Debt owed to it, is immediately due and payable or otherwise due and payable.

## 7 Distribution of proceeds by Security Trustee

---

The Security Trustee must apply any amounts received by it under this deed and available for distribution in or towards the payment or repayment of the Secured Moneys in the manner set out in the Security Trust Deed.

## 8 Meetings

---

- (a) If at any time during the First Subordination Period a Senior Event of Default subsists, the Security Trustee shall invite the Subordinated Creditors to attend any meeting held between the Senior Creditors and the Security Trustee which is scheduled to involve:

- (1) presentations by experts or a Borrower or other Obligor;
- (2) deliberations or decisions as to an enforcement strategy for the Security; or
- (3) deliberations or decisions as to the method of realisation or disposal of any Secured Property,

but the Subordinated Creditors shall not be entitled to remain in attendance during any part of that meeting where the Security Trustee or a Senior Creditor reasonably believes that there is, or is likely to be, a conflict of interest between the Senior Creditors (or any of them) including as to:

- (4) matters of priority of the Beneficiaries under the Security; or
- (5) considerations of the Subordinated Creditors as a secured class of financiers.

- (b) The Subordinated Creditors may present the Subordinated Creditors' point of view at any such meeting but, subject to the rights of Subordinated Creditors to exercise Acceleration Rights and enforce the Security in accordance with this deed, will not be entitled to vote or otherwise affect any resolution or matter before that meeting and decisions may be made without regard to any Representative of a Subordinated Creditor.
- (c) The Security Trustee shall give the Subordinated Creditors a copy of any written notice given to the Senior Creditors by the Security Trustee under the Security Trust Deed

concerning any actual Enforcement Action or concerning a Senior Event of Default or Senior Potential Event of Default.

- (d) A Subordinated Creditor must immediately notify the Senior Creditors if it becomes aware of any Subordinated Event of Default or Subordinated Potential Event of Default.

## 9 Refinancing and additional debt

---

### 9.1 Refinancing of Senior Debt

- (a) Unless all of the Subordinated Debt has been repaid in full or as otherwise agreed by the Subordinated Agent, an Obligor may only refinance the Senior Debt with the proceeds of any Finance Debt permitted under clause 16.5(b)(11) (*Finance Debt*) of the Senior Facility Agreement or if:
- (1) the new senior debt facility (**New Senior Facility**) is on terms consistent with this deed and each financier providing the New Senior Facility:
    - (A) by executing a Recognition Deed, assumes the obligations of a “Senior Creditor” under this deed; or
    - (B) enters into a deed with the Subordinated Creditors and the Obligors substantially on the terms of this deed (or such other terms as may be agreed between that financier and the Subordinated Creditors);
  - (2) the proceeds of Finance Debt incurred under the New Senior Facility are used only to refinance existing Senior Debt and pay associated fees, costs and expenses;
  - (3) the aggregate of the Finance Debt to which the Subordinated Debt is subordinated after the refinancing and any Senior Debt not Finally Paid does not exceed an amount equal to the aggregate of:
    - (A) the total principal amount outstanding under the Senior Finance Documents immediately prior to the refinancing;
    - (B) the amount of any undrawn commitments under the Senior Finance Documents immediately prior to the refinancing;
    - (C) all unpaid interest accrued on the Senior Debt to the date of repayment of the Senior Debt; and
    - (D) any costs, fees and expenses (including break costs) associated with the refinancing of the Senior Debt;
  - (4) the financiers providing the New Senior Facility are not granted any Security Interest or Guarantee by any Obligor or any other person in addition to the Security and Guarantees which are granted to the Subordinated Creditors, unless otherwise agreed by the Subordinated Agent;
  - (5) the covenant and default regimes under the New Senior Facility are on the then market terms for such facilities with the financial covenant levels for the New Senior Facility being set to allow for no less than 20% to 25% under

performance in EBITDA relative to the base case projections of the Initial Obligor at the time of the refinance and those covenant levels will apply to the maturity of the Subordinated Debt and to the exclusion of covenants previously existing in relation to the Subordinated Debt;

- (6) the financial covenant lock-up restricting payments of interest and fees to the Subordinated Creditors being set to allow for not less than 13.75% to 15% underperformance in EBITDA relative to the base case projections of the Initial Obligor at the time of the refinance and those lock-up levels will apply to the maturity of the Subordinated Debt to the exclusion of the lock-up levels previously existing in relation to the Subordinated Debt;
  - (7) the default lock-up restricting payments of interest and fees to the Subordinated Creditors is no more onerous to the Subordinated Creditors than that prevailing under the Subordinated Finance Documents immediately before the refinancing and such default lock-up will apply to the maturity of the Subordinated Debt and to the exclusion of those previously existing in relation to the Subordinated Debt (but to avoid doubt the actual terms of the Subordinated Events of Default will not be amended as a result);
  - (8) the Obligors give the Subordinated Creditors no less than 30 days' notice of the proposed refinancing date; and
  - (9) without the consent of the Subordinated Creditors, the maturity date of the New Senior Facility is no later than the last maturity date for the Subordinated Debt.
- (b) Each Subordinated Creditor must give its consent to any New Senior Facility even if clause 9.1(a)(9) (*Refinancing of Senior Debt*) is not satisfied if each financier providing the New Senior Facility agrees that, on and from the maturity date of that Subordinated Creditor's Subordinated Debt:
- (1) that Subordinated Creditor's Subordinated Debt will rank pari passu with the Senior Debt and clause 3 (*Subordination – Subordinated Debt*) will not apply to such pari passu ranking Subordinated Debt; and
  - (2) all the undertakings in this deed given by that Subordinated Creditor in favour of the Senior Creditors which are applicable during an Enforcement Restriction Period will cease.
- (c) Nothing in this clause 9.1 (*Refinancing of Senior Debt*) restricts the entering into, replacement or novation of any Secured Hedging Agreement.

## 9.2 Refinancing of Subordinated Debt

Unless otherwise agreed by the Senior Agent, an Obligor may only refinance Subordinated Debt if:

- (a) the new subordinated debt facility (which may include a retail note issue) (**New Subordinated Facility**) is on terms consistent with this deed (including the subordination terms applicable to that part of the Subordinated Debt being refinanced (**Refinanced Subordinated Debt**)) and each financier providing the New Subordinated Facility:
  - (1) by executing a Recognition Deed, assumes the obligations of a "Subordinated Creditor" under this deed; or
  - (2) enters into a deed with the Senior Creditors and the Subordinated Creditors whose Secured Moneys are not being refinanced (**Continuing Subordinated**

**Creditor**) under the New Subordinated Facility and the Obligors substantially on the terms of this deed (or such other terms as may be agreed between that financier, the Senior Creditors and the Continuing Subordinated Creditor);

- (b) the proceeds of Finance Debt under the New Subordinated Facility are used only to refinance existing Subordinated Debt and pay associated fees, costs and expenses;
- (c) the financial accommodation available under the New Subordinated Facility after the refinancing do not exceed an amount equal to the aggregate of:
  - (1) the total principal amount outstanding under the Subordinated Finance Documents immediately prior to the refinancing;
  - (2) the amount of any undrawn commitments under the Subordinated Finance Documents immediately prior to the refinancing;
  - (3) all unpaid interest accrued to the date of repayment of the Refinanced Subordinated Debt; and
  - (4) any costs, fees and expenses (including break costs) associated with the refinancing of the Refinanced Subordinated Debt,which in the case of clauses 9.2(c)(1) and (2) (*Refinancing of Subordinated Debt*) must not exceed, in aggregate, A\$185,000,000;
- (d) the financiers providing the New Subordinated Facility are not granted any Security Interest by any Obligor or any other person in addition to the Security, unless otherwise agreed by the Senior Creditors and the Continuing Subordinated Creditor;
- (e) the Obligors give the Senior Creditors and the Continuing Subordinated Creditor no less than 30 days' notice of the proposed refinancing date;
- (f) the maturity date for the Refinanced Subordinated Debt must not be any earlier than 6 months after the latest maturity date for the Senior Debt under the Senior Facility Agreement; and
- (g) after any refinancing of the Subordinated Debt, in respect of any component of such Refinanced Subordinated Debt which exceeds A\$150,000,000:
  - (1) if there is no "PIK" pay margin, the maximum cash pay margin is 6.00%;
  - (2) if there is a "PIK" pay margin, the total margin does not exceed 9.00% comprising a cash margin of no greater than 5.00% and a "PIK" pay margin of the remainder; and
  - (3) in any case, the margins must be no greater than those in respect of the Subordinated Debt which is being refinanced.

### 9.3 Additional Senior Debt

- (a) Subject to clause 9.3(b) (*Additional Senior Debt*), the Obligors may not agree to increase any commitments with respect to the Senior Debt (including under a New Senior Facility) or incur any Finance Debt that is Senior Debt unless:
  - (1) the relevant Finance Debt is permitted under the Subordinated Facility Agreement; or

- (2) the additional Finance Debt and/or commitment when aggregated with any other Finance Debt or commitment to which this clause 9.3(a)(2) (*Additional Senior Debt*) has applied does not exceed \$50 million; or
  - (3) the Subordinated Debt ranks pari passu with the additional Senior Debt in excess of the amounts permitted under paragraphs (1) and (2) above; or
  - (4) the additional Finance Debt is subordinated to the Subordinated Debt on terms acceptable to the Subordinated Agent; or
  - (5) or all of the Subordinated Debt is repaid in full.
- (b) This clause 9.3 (*Additional Senior Debt*) shall not apply to:
- (1) commitments to provide any new Senior Debt that is to be used to refinance all or part of any existing Senior Debt in accordance with clause 9.1 (*Refinancing of Senior Debt*); or
  - (2) the provision of any Finance Debt under any Additional Capex Facility (which the Subordinated Creditors acknowledge and agree may be incurred by the Borrowers without the need for any consent or approval by the Subordinated Creditors).
- (c) As between the Obligors and the Subordinated Creditors only, nothing in this deed prohibits the Obligors incurring Finance Debt which is Permitted Finance Debt (as defined in the Subordinated Finance Documents) including such Permitted Finance Debt under clause 11.5(b)(16) of the Subordinated Facility Agreement.
