

Vanuatu SMEs – Pathways for Green Businesses – RE & EE

VCCI Presentation
(27th September 2018)

Pathways for Green Business

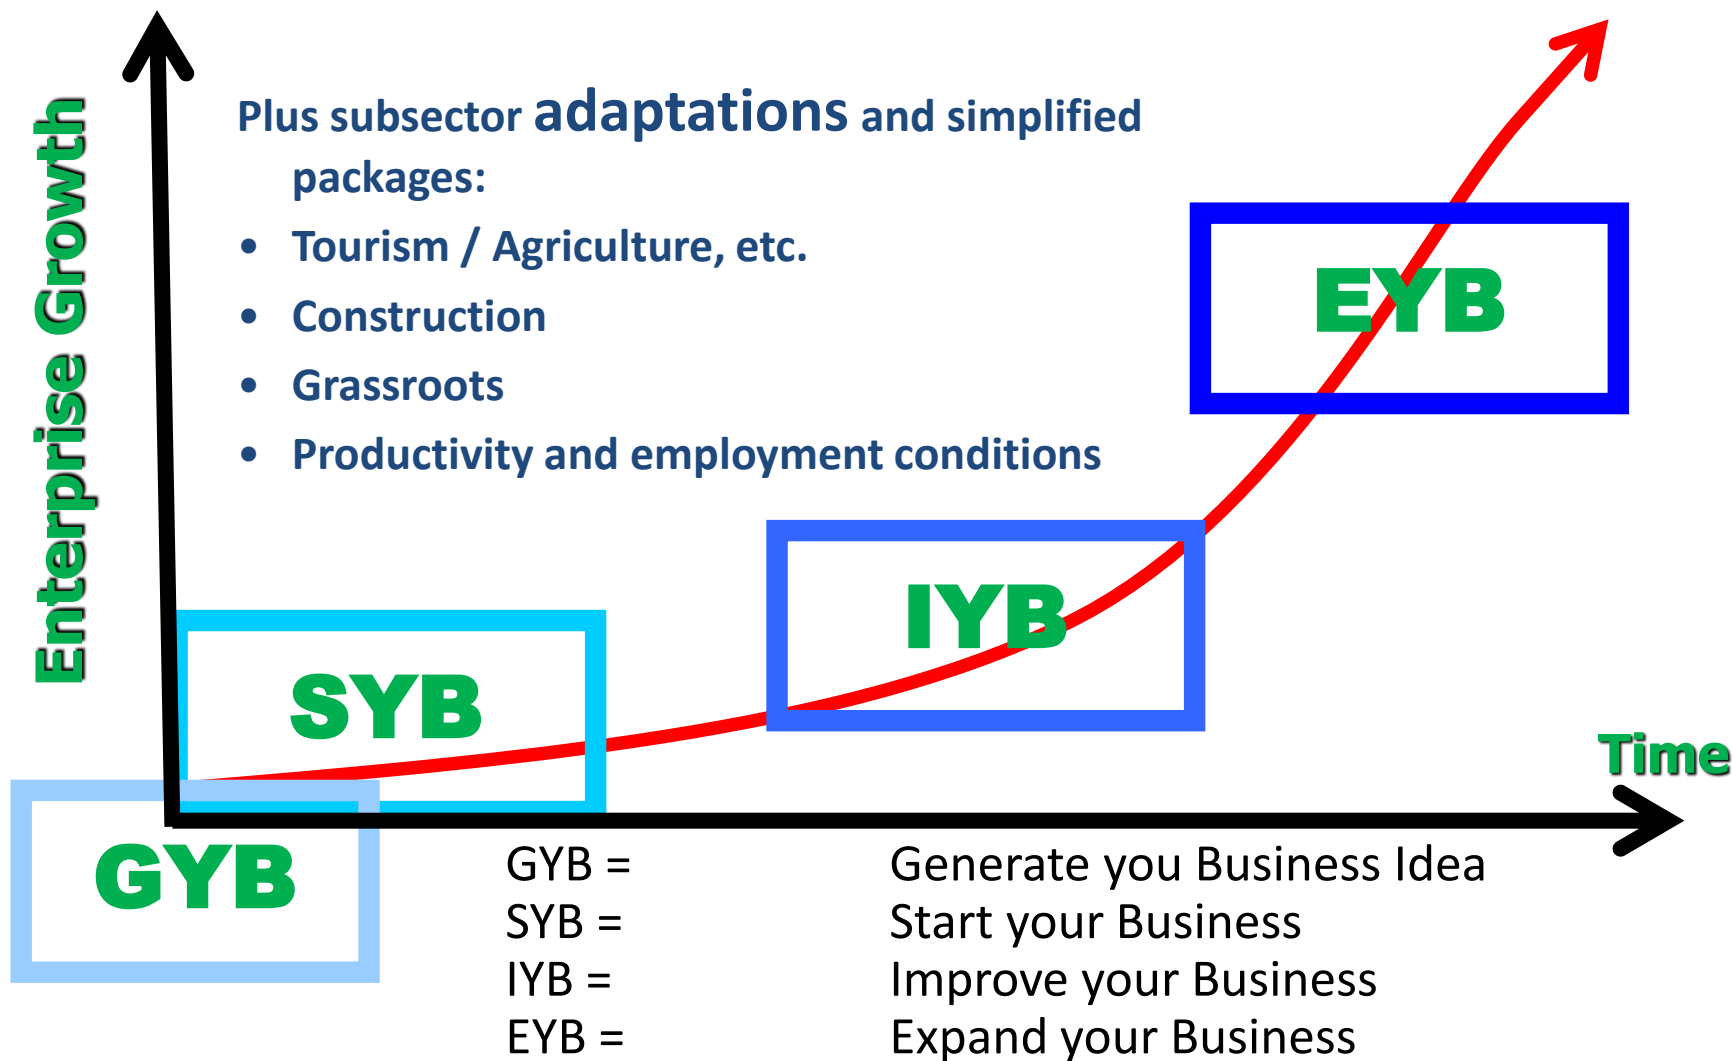

- VCCI will continue to remind all SMEs on green growth for Proper Compliance
- Improve pathways for SMEs on green business through SIYB training program

SIYB TRAINING

- Promote Green Business pathways to its valued members, via, newsletter – mail-chimp

SIYB Product Family

Challenges for SMEs

- **Natural Disasters** – Cyclones, Volcanic activities, etc..), Business Resilience is the KEY
- **Man-made Disasters** – Misuse of business money, even bank account, etc..
- *Separate business money from private interest*
- Commitment to Green Business Solutions

Support & Opportunities

- Firstly, SMEs must establish Green Business networking & support each other, perhaps through a business forum, in future..?
- Secondly, SMEs to work with well established businesses (Large Enterprises) in Vanuatu (suppliers support, etc.)
- Lastly, SMEs should work closely with VCCI BDS training team, via, GGGI Country Office

THE END

THANK YOU, EVERYONE
