REQUEST FOR QUOTATION

SUBJECT: CONSULTANCY TO FACILITATE THE EXTERNAL EVALUATION OF THE EUROPEAN UNION PACIFIC TECHNICAL AND VOCATIONAL EDUCATION AND TRAINING IN SUSTAINABLE ENERGY AND CLIMATE CHANGE ADAPTATION (EU PACTVET) PROJECT BY THE EUROPEAN UNION.

The Pacific Community (SPC) would like to invite interested qualified bidders to submit quotations to facilitate the external evaluation of the European Union Pacific Technical and Vocational Education and Training in Sustainable Energy and Climate Change Adaptation (EU PacTVET) project by the EU based on the following:

1. Bidders are requested to submit a quotation to carry out specific tasks as outlined in the Terms of Reference (Annex I).
2. Queries or questions may be emailed to amelias@spc.int
3. SPC reserves the right at the time of award of contract to vary the quantity of services and goods specified in the RFQ without any change in price or other terms and conditions.
4. SPC reserves the right to accept or reject any Proposal and to annul the solicitation process and reject all Proposals at any time prior to award of contract, without thereby incurring any liability to the affected Bidder(s) or any obligation to inform the affected bidder(s) of the grounds for the Purchaser’s action.
5. All prices quoted shall be in EURO and be inclusive of all costs related to the support services to SPC and any applicable taxes.
6. This RFQ has been advertised regionally and quotations will be assessed based on both assessed abilities to achieve the outcomes, and cost.
7. Please email your quotation using the Technical Submission Form in Annex II and the Financial Submission Form in Annex III to amelias@spc.int by 4 pm Fiji time on 30th April 2020.

This letter is not to be construed in any way as an offer to contract with your organisation.
ANNEX I

TERMS OF REFERENCE

A. Project Title:
Consultancy to facilitate the external evaluation of the European Union Pacific Technical and Vocational Education and Training in Sustainable Energy and Climate Change Adaptation (EU PacTVET) project by the European Union.

B. Background:
The European Union Pacific Technical and Vocational Education and Training (EU-PacTVET) project is component 3 within the broader Adapting to Climate Change and Sustainable Energy (ACSE) programme. The project builds on the recognition that energy security and climate change are major issues that are currently hindering the social, environmental and economic development of Pacific-African, Caribbean and Pacific (P-ACP) countries. The EU-PacTVET component is to complement the climate change adaptation and sustainable energy actions on the ground, and to reinforce the potential for green growth, including the introduction of systematic, regular and standardized training at technical institutes and colleges throughout the Pacific, where the next generation of tradesmen and women can learn about climate change adaptation techniques, sustainable energy technologies and their applications. The Pacific Community (SPC) through its Geoscience, Energy & Maritime (GEM) Division and The University of the South Pacific (USP) through its Pacific Centre for Environment and Sustainable Development (PaCE-SD) are partnering to implement the €6.3 million across 15 P-ACP countries. The project commenced in August 2014 and will cover a period of 74 months.

The EU-PacTVET project seeks a consultant facilitate the external evaluation of the European Union Pacific Technical and Vocational Education and Training in Sustainable Energy and Climate Change Adaptation (EU PacTVET) project by the EU.

C. Scope of Work
The consultant is expected to:
1. Prepare a work plan and schedule detailing the delivery of this work.
2. Develop the monitoring protocols including criteria, key monitoring questions and guiding questions for interviews and data collection. Consult and verify with Team leader.
3. Review existing M&E procedures for the project, including review of current project reporting templates and log frames, progress tracking, reporting and learning
4. Data collection including interviews with stakeholders, synthesis and analysis for summary and thematic reports on M&E findings to contribute to the final M&E report
5. Ensure the project data, including communications and visibility information is recorded in SPC and other databases.
6. Prepare a draft M&E report, review with stakeholders, and prepare a final M&E report. Share the lessons learnt in a one-day workshop.
D. Expected Outputs

1. Concise work plan and schedule for delivery of this consultancy
2. A monitoring plan with protocols, monitoring criteria, key monitoring questions to be answered, and guiding questions for interviews and data collection, approved by Team Leader.
3. Final Project Log frame with verifiable achievements that meets donor and SPC requirements
4. Relevant data, including interview records, are concisely compiled and analysed to justify and support the final project log frame results and the final M&E report
5. Relevant SPC databases, including the project page, have up-to-date information on the project

E. Institutional Arrangements

The consultant will be directly responsible to the Team Leader of the EU-PacTVET team stationed at the SPC Georesources, Energy & Maritime Division, Lotus Building, Suva, Fiji. In this case, the reporting and any matter relating to the consultancy work should be referred to the EU-PacTVET Team Leader.

F. Duration of the Work

The consultancy will be conducted over the period 13 May to 15 September 2020.

G. Duty Station (if relevant)

The consultant will be based at the duty station in Suva, Fiji for the duration of the consultancy. It is anticipated that USP in-country coordinators and SPC focal points can be involved to negate the need for travel to project countries. It is anticipated that information required for this consultancy can be found online or communicated electronically.

The consultant, depending on the project work plan, will have to report or liaise with the EU-PacTVET team through the Team leader on any matters that need the team’s attention during the course of the consultancy.

H. Qualifications, professional experience and key skills

Qualifications of the Successful Contractor

- It is essential that the appointee is a well-qualified professional with an undergraduate degree in monitoring, education, social sciences, humanities or a related field. Masters qualifications in monitoring and evaluation of social or educational programs or projects or related subjects beneficial.
- Minimum 5 years of work experience in monitoring and(or) evaluation related work; experience working with SPC or other international/national organizations is beneficial
- Excellent verbal and written communication skills in English
- Provide a short description (maximum 1000 words) of 2 similar assignments relating to monitoring and evaluation in which you have been involved,
I. Proposal Evaluation Matrix (this will form 70% of the total assessment)

The total budget for this consultancy is Euro 40,000.

The financial component of the proposal will be scored on the basis of overall costs for the delivery of the services provided to SPC. The lowest financial proposal will be awarded maximum 30 points and other financial offers and incentives will be awarded points as per the formula below. The formula used for scoring points for financial values proposed will be:

Financial Proposal score = (Lowest Price / Price under consideration) x 30

J. Scope and Bid Price and Indicative Schedule of Payments

- The contract cost will be paid based on achieving each set out milestone as shown in the table in this section.
- The following components must be specified by the bidder and must be included in the computation of the contract price:
  a. Professional fees
  b. Management and operating costs.
- The remuneration rate should cover all associated expenses, as no additional payments will be made beyond the agreed contract.

For contact details – Website: www.spc.int   Email: spc@spc.int
In full consideration of the complete and satisfactory completion of the activities specified in section C, the consultant shall be paid in accordance with the following milestones.

ANNEX IV

**SPC GENERAL CONDITIONS OF CONTRACT FOR PROFESSIONAL SERVICES**

1. **LEGAL STATUS**
   The Contractor shall be considered as having the legal status of an independent contractor vis-à-vis SPC. The Contractor's personnel and sub-contractors shall not be considered in any respect as being the employees or agents of SPC.

2. **SOURCE OF INSTRUCTIONS**
   The Contractor shall neither seek nor accept instructions from any authority external to SPC in connection with the performance of its services under this Contract. The Contractor shall refrain from any action that may adversely affect SPC and shall fulfil its commitments with the fullest regard to the interests of SPC.

3. **CONTRACTOR’S RESPONSIBILITY FOR EMPLOYEES**
   The Contractor shall be responsible for the professional and technical competence of its employees and will select, for work under this Contract, reliable individuals who will perform effectively in the implementation of this Contract, respect the local customs, and conform to a high standard of moral and ethical conduct.

   The Contractor shall not discriminate against any Staff of SPC, their employee, traveller, independent professional or any other person because of race, medical condition, religious creed, ancestry, national origin, age, sex or handicap.

4. **SPECIFIED PERSONNEL**
   The Service Provider must ensure that the Specified Personnel perform the Services in accordance with this Contract. SPC may, at its absolute discretion, require the Service Provider to remove any Personnel (including Specified Personnel) from work in respect of this Contract, or from undertaking the Services or any part of the Services. If it does so, or if Specified Personnel are unable or unwilling to perform the Services, the Service Provider shall provide replacement Personnel (acceptable to the Customer) of suitable ability and qualifications at no additional cost and at the earliest opportunity.

5. **ASSIGNMENT**
   The Contractor shall not assign, transfer, pledge or make other disposition of this Contract or any part thereof, or any of the Contractor’s rights, claims or obligations under this Contract except with the prior written consent of SPC.

6. **SUB-CONTRACTING**
   In the event the Contractor requires the services of sub-contractors, the Contractor shall obtain the prior written approval and clearance of SPC for all sub-contractors. The approval of SPC of a sub-contractor shall not relieve the Contractor of any of its obligations under this Contract. The terms of any sub-contract shall be subject to and conform with the provisions of this Contract.
7. OFFICIALS NOT TO BENEFIT
The Contractor warrants that no official of SPC has received or will be offered by the Contractor any direct or indirect benefit arising from this Contract or the award thereof.

The Contractor agrees that breach of this provision is a breach of an essential term of this Contract.

8. INDEMNIFICATION
The Contractor shall indemnify, hold and save harmless, and defend, at its own expense, SPC, its officials, agents, servants and employees from and against all suits, claims, demands, and liability of any nature or kind, including their costs and expenses, arising out of acts or omissions of the Contractor, or the Contractor's employees, officers, agents or sub-contractors, in the performance of this Contract. This provision shall extend, inter alia, to claims and liability in the nature of workmen's compensation, products liability and liability arising out of the use of patented inventions or devices, copyrighted material or other intellectual property by the Contractor, its employees, officers, agents, servants or sub-contractors. The obligations under this Article do not lapse upon termination of this Contract.

9. INSURANCE AND LIABILITIES TO THIRD PARTIES
9.1 The Contractor shall provide and thereafter maintain insurance against all risks in respect of its property and any equipment used for the execution of this Contract.
9.2 The Contractor shall provide and thereafter maintain all appropriate workmen's compensation insurance, or its equivalent, with respect to its employees to cover claims for personal injury or death in connection with this Contract.
9.3 The Contractor shall also provide and thereafter maintain liability insurance in an adequate amount to cover third party claims for death or bodily injury, or loss of or damage to property, arising from or in connection with the provision of services under this Contract or the operation of any vehicles, boats, airplanes or other equipment owned or leased by the Contractor or its agents, servants, employees or sub-contractors performing work or services in connection with this Contract.
9.4 The Contractor shall, upon request, provide SPC with satisfactory evidence of insurance cover as required under this Article.

10. ENCUMBRANCES/LIENS
The Contractor shall not cause or permit any lien, attachment or other encumbrance by any person to be placed on file or to remain on file in any public office or on file with SPC against any monies due or to become due for any work done or materials furnished under this Contract, or by reason of any other claim or demand against the Contractor.

11. TITLE TO EQUIPMENT
Title to any equipment and supplies that may be furnished by SPC shall rest with SPC and any such equipment shall be returned to SPC at the conclusion of this Contract or when no longer needed by the Contractor. Such equipment, when returned to SPC, shall be in the same condition as when delivered to the Contractor, subject to normal wear and tear. The Contractor shall be liable to compensate SPC for equipment determined to be damaged or degraded beyond normal wear and tear.
12. COPYRIGHT, PATENTS AND OTHER PROPRIETARY RIGHTS

SPC shall be entitled to all intellectual property and other proprietary rights including but not limited to patents, copyrights, and trademarks, with regard to products, or documents and other materials, which bear a direct relation to or are produced or prepared or collected in consequence of or in the course of the execution of this Contract. At SPC's request, the Contractor shall take all necessary steps, execute all necessary documents and generally assist in securing such proprietary rights and transferring them to SPC in compliance with the requirements of the applicable law.

13. USE OF NAME, EMBLEM OR OFFICIAL SEAL OF SPC

The Contractor shall not advertise or otherwise make public the fact that it is a Contractor with SPC, nor shall the Contractor, in any manner whatsoever use the name, emblem or official seal of SPC, or any abbreviation of the name of SPC in connection with its business or otherwise.

14. CONFIDENTIAL NATURE OF DOCUMENTS AND INFORMATION

14.1 All maps, drawings, photographs, mosaics, plans, reports, recommendations, estimates, documents and all other data compiled by or received by the Contractor under this Contract shall be the property of SPC, shall be treated as confidential and shall be delivered only to SPC authorised officials on completion of work under this Contract.

14.2 The Contractor may not communicate at any time to any other person, Government or authority external to SPC, any information known to it by reason of its association with SPC which has not been made public except with the authorisation of SPC; nor shall the Contractor at any time use such information to private advantage. These obligations do not lapse upon termination of this Contract.

15. FORCE MAJEUERE AND OTHER CHANGES IN CONDITIONS

15.1 Force majeure, as used in this Article, means acts of God, war (whether declared or not), invasion, revolution, insurrection, or other acts of a similar nature or force, which are beyond the control of the Parties.

15.2 In the event of and as soon as possible after the occurrence of any cause constituting force majeure, the Contractor shall give notice and full particulars in writing to SPC, of such occurrence or change if the Contractor is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under this Contract. The Contractor shall also notify SPC of any other changes in conditions or the occurrence of any event, which interferes or threatens to interfere with its performance of this Contract. The notice shall include steps proposed by the Contractor to be taken, including any reasonable alternative means for performance that is not prevented by force majeure. On receipt of the notice required under this Article, SPC shall take such action as, in its sole discretion, it considers to be appropriate or necessary in the circumstances, including the granting to the Contractor of a reasonable extension of time in which to perform its obligations under this Contract.

15.3 If the Contractor is rendered permanently unable, wholly or in part, by reason of force majeure to perform its obligations and meet its responsibilities under this Contract, SPC shall have the right to suspend or terminate this Contract on the same terms and conditions as are provided for in Article 16, "Termination", except that the period of notice shall be seven (7) days instead of thirty (30) days.

16. TERMINATION

16.1 Either party may terminate this Contract for cause, in whole or in part, upon thirty days' notice, in writing, to the other party. The initiation of arbitral proceedings in accordance with
Article 17 "Settlement of Disputes" below shall not be deemed a termination of this Contract.

16.2 SPC reserves the right to terminate without cause this Contract at any time upon 15 days prior written notice to the Contractor, in which case SPC shall reimburse the Contractor for all reasonable costs incurred by the Contractor prior to receipt of the notice of termination.

16.3 In the event of any termination by SPC under this Article, no payment shall be due from SPC to the Contractor except for work and services satisfactorily performed in conformity with the express terms of this Contract. The Contractor shall take immediate steps to terminate the work and services in a prompt and orderly manner and to minimise losses and further expenditure.

16.4 Should the Contractor be adjudged bankrupt, or be liquidated or become insolvent, or should the Contractor make an assignment for the benefit of its creditors, or should a Receiver be appointed on account of the insolvency of the Contractor, SPC may, without prejudice to any other right or remedy it may have, terminate this Contract forthwith. The Contractor shall immediately inform SPC of the occurrence of any of the above events.

17. SETTLEMENT OF DISPUTES

17.1 Amicable Settlement

The Parties shall use their best efforts to settle amicably any dispute, controversy or claim arising out of, or relating to this Contract or the breach, termination or invalidity thereof. Where the parties wish to seek such an amicable settlement through conciliation shall take place in accordance with the Local Law, or according to such other procedure as may be agreed between the parties.

17.2 Arbitration

Unless any such dispute, controversy or claim between the Parties arising out of or relating to this Contract or the breach, termination or invalidity thereof is settled amicably under the preceding paragraph of this Article within sixty (60) days after receipt by one Party of the other Party's request for such amicable settlement, such dispute, controversy or claim shall be referred by either Party to arbitration in accordance with the applicable local law. The arbitral tribunal shall have no authority to award punitive damages. The Parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such controversy, claim or dispute.

18. PRIVILEGES AND IMMUNITIES

Nothing in or relating to this Contract shall be deemed a waiver, express or implied, of any of the privileges and immunities of SPC, including its subsidiary organs.

19. TAX EXEMPTION

19.1 Under the ‘Host Country Agreement’ with the Country hosting SPC Offices, SPC, being an International Organisation, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs duties and charges of a similar nature in respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognise SPC’s exemption from such taxes, duties or charges, the Contractor shall immediately consult with SPC to determine a mutually acceptable procedure.

19.2 Accordingly, the Contractor authorises SPC to deduct from the Contractor’s invoice any amount representing such taxes, duties or charges, unless the Contractor has consulted with SPC before the payment thereof and SPC has, in each instance, specifically authorised the
Contractor to pay such taxes, duties or charges under protest. In that event, the Contractor shall provide SPC with written evidence that payment of such taxes, duties or charges has been made and appropriately authorised.

20. SOCIAL AND ENVIRONMENTAL RESPONSIBILITY

SPC has adopted a social and environmental responsibility policy. The contractor must comply to ethically and sustainably manage social and environmental risks and impacts of its activities, particularly in reference to:

20.1 CHILD LABOUR

The Contractor represents and warrants that neither it, nor any of its suppliers is engaged in any practice inconsistent with the rights set forth in the Convention on the Rights of the Child, including Article 32 thereof, which, inter alia, requires that a child shall be protected from performing any work that is likely to be hazardous or to interfere with the child's education, or to be harmful to the child's health or physical mental, spiritual, moral or social development.

Any breach of this representation and warranty shall entitle SPC to terminate this Contract immediately upon notice to the Contractor, at no cost to SPC.

20.2 HUMAN RIGHTS

The Contractor recognises, respects and upholds the human rights of every individual, being a minimum those protected by the Universal Declaration of Human Rights. The Contractor will actively seek to ensure he is not complicit in human rights abuses committed by others.

The Contractor is committed to respecting, and acting in a manner that avoids infringing on, human rights. In this regard the Contractor acknowledges the Guiding Principles on Business and Human Rights: Implementing the United Nations ‘Protect Respect and Remedy’ framework (2011).

To meet these commitments, the Contractor will not accept modern slavery, forced labour and human trafficking in his supply chain.

Any breach of this representation and warranty shall entitle SPC to terminate this Contract immediately upon notice to the Contractor, at no cost to SPC.

20.3 GENDER EQUALITY AND SOCIAL INCLUSION

SPC is committed to progress gender equality and social inclusion in all area of its work. The Contractor is expected to promote gender equality and diversity in the workplace by striving to have gender balance in the workforce and employ youth and persons with disabilities where possible, at all levels. The contractor is expected to have measures in place to ensure equal pay for work of equal value, to prevent sexual harassment, of bullying and any forms discrimination; and to ensure a safe workplace environment for women and men of all diversities.

20.4 ENVIRONMENTAL RESPONSIBILITY

The Contractor must ensure a rational use and management of natural resources and ecosystems, to prevent or, where not possible, to minimise damage to the environment and address climate change, so as to ensure these resources will be available for future generations.
21. **OBSERVANCE OF THE LAW**

The Contractor shall comply with all laws, ordinances, rules, and regulations bearing upon the performance of its obligations under the terms of this Contract.

22. **AUTHORITY TO MODIFY**

No modification or change in this Contract, no waiver of any of its provisions or any additional contractual relationship of any kind with the Contractor shall be valid and enforceable against SPC unless provided by an amendment to this Contract signed by the authorised official of SPC.
